Ohio Vets CAN - <http://www.ohiovetscan.com/>

The Ohio Veterans Career Assistance Network ([Ohio Vets CAN](#)) has created an on-line meeting place where veterans, active duty troops and members of the National Guard and Reserves who call Ohio home can link up with employers who value and support military service to America. At Ohio Vets CAN, military-friendly employers can view resumes that have been posted by veterans, members of the National Guard and Reserves and active duty troops who live in Ohio. Employers also can post job openings that will be accessible only to men and women who have provided honorable service to America and who have the skills, discipline and motivation to succeed.

This is a brand-new project, sponsored by AMVETS - Department of Ohio and the Ohio National Guard. It currently is in [beta testing](#), which means that while the website and the job search database are fully functional, there may be a few glitches or things we missed. If you see a mistake, have trouble with the database or feel that something is missing and should be added to the site, [let us know](#) and we'll take care of it as quickly as we can.

If you haven't registered with Ohio Vets CAN do it [here](#) today!
